

**SMART School Projector
SP-PJ860LC**

Advantage:

1. Up to 3x Brighter Colors and reliable performance - 3LCD, 3-chip technology
2. R.G.B 3 Led lamp ensure the original color from Red, Green and Blue with 3800 lumens
3. High brightness, short throw distance, big image, very suitable for education use
4. Signal source automatic search(No signal will on standby)
5. Place the projector virtually anywhere: Offset 70%-130% continuous adjustable
6. The quick connect VGA and portable design makes it ideal for laptop presentations
7. Reserved USB android and HDMI android interface, its a good way to save cost, the user can choose android system freely

Specification:

Model	SP-PJ860LC
Product Type	SMART School Projector
Projection System	
Max Resolution	1920*1080(1080p)
Native Resolution	1024*768
Display Technology	3LCD
Light Source	Osram 3LED(30,000hours lamp life Span)
Brightness	3800 lumens
Contrast Ratio	50,000/1
Color	1.07 Billion Colors

Throw Ratio	1. 42-1.72
Offset	70%-130%(Continuous Adjustable)
Noise	25DB
Lens	(Optical zoom) Manual (Approx x1.2), Manual focusing/#1. 56
Projection Ways	Front/Rear/Ceiling/Desk
Screen Size	60-250inch
Projection Distance	0. 5M-15M
Patent Optical Engine	Full Sealed Dust proof
General Specifications	
Screen Mode	4: 3(Default) Optional 16: 9
Built in Speaker	8Ω 2W
Power Supply	AC100-240V/50/60HZ
Support Language	23 Languages, English/Korean/German/Dutch/Spain /Portugal/French/Italian/Russia etc.
Qualified by	FCC, CE, ROHS, CCC
Remote Control	Yes
Total Power	120W
Net Weight	28*24*8.5(Excluding feet)
USB Mode Supported File	
Picture	JPG/BMP/GIF
Movie	AVI/MKV/MP4/MOV/MOG/MPEG/TS/TP/M2TS/DAT/VOB/H264/H263
Music	WMA, MP3, M4A(ACC)
File	TXT
Inputs/Outputs	
Video In	HDMIx1: VGAx1; 3.5*1 audio and video input
Audio Out	3.5 audio output * 1
File Playback	USBx1
Optional Interface	RJ45 and VGA Output
Reserved Interface	USB android * 1 (For connect Android Stick)
Reserved Interface	HDMI android * 1 (For connect Android Stick)
Place of Origin	Guangzhou, China
