

Model: SP-BA230**SURPASS audio media music player mini in wall amplifier for home hotel office commercial industrial pa sound system****Description**

Small amplifier for background music system, output power reached 30Wx2

4 ohms low impedance output

It is suitable for office, restaurant, shop, etc

Functions

Use 100-240V AC

Drive two pair of 8 ohms stereo speakers

Transmitting range up to 10 meters

Bluetooth

USB play

TF card play

TWS (True Wireless System)

Remote controller

Application: COMPUTER, HOME THEATRE, Karaoke Player, Mobile Phone, Portable Audio Player, Stage, Other

Technical Data	SP-BA230
Output power	30Wx2 Stereo
Recommended Speaker Impedance	4 OHMS
Operating voltage	100-240V AC
Frequency response	20Hz-20KHz
Bluetooth Transmitting Range	10 meters
Dimensions: WxHxD	87x87x31mm
