

SP-WCH08 Desktop Wireless Charger

Features:

Multi-functional innovative design , three wireless chargers, one can do it, and keep the desktop tidy. It can be adapted to the original Apple watch charging cable, and the bottom opening has a winding groove, which can perfectly store the cable and bid farewell to the mess. Charging can be done while working in office. with a minimalism-style integrated design, it can charge mobile phones, watches, and earphones simultaneously. The mobile phone can be charged as fast as it is done while wearing a shell, and can be charged freely in a vertical position. It can be charged horizontally and vertically. Intelligently-matched fast charging and independent coils do not affect each other.
